# ALEXIS HEICHMAN

MULTIMEDIA JOURNALIST,  
MARKETING/COMMS

## PROFESSIONAL PROFILE

Creative and driven journalist with a wide range of experience from reporting in written and multimedia formats, to marketing and social media. My passion is to tell stories in whatever media format makes the story most vivid and enthralls my audience.

## WORK EXPERIENCE

### Executive Editor- Full Time

#### State Press | May 2024- Present

Perform tasks such as managing our budget, onboarding and training, monitoring community engagement and DEI progress, as well as manage day-to-day operations. I also have final editorial say over anything published at The State Press.

- Prior roles: Multimedia Director (May 2023-May 2024), Video Desk Editor (Dec. 2022-May 2023), Videographer (Sept. 2022-Dec. 2022)

### Marketing- Internship

#### Make-A-Wish Arizona | August 2024- Present

I help create content for social media, report and write stories about alumni, help find new and creative ways to engage with those alumni, and work with professionals to improve my marketing skills.

## REPORTING IN OTHER COUNTRIES, SUMMER 2024

### Covering the 2024 Summer Olympic Games in Paris, France | July 2024 - August 2024

Worked as an on-camera broadcast reporter, photographer and produced non-narrative video content. Covered Olympic athletes and sports such as women's rugby and triathlon, as well as French culture stories.

### Photojournalism in Rwanda | June 2024 - July 2024

Documented a local artist for an in-depth photo story, as well as explored the culture.

## HIGH SCHOOL JOURNALISM EXPERIENCE

### Editor-In Chief, The Stampede Newspaper | August 2021- May 2022

Oversaw a team of about 30 students at all times, directly managed a design team of 6 and co-managed a photography team of 10 to produce one magazine-style issue per month. Worked with "The Stampede" for a total of 4 years (2018-2022).

### Technical Director and Producer, EHS News | August 2020- May 2022

Oversaw and worked with a team of 8 students to produce one show every other day to an audience of about 2,500 students and faculty. Would make short and long form video content.
